This is 2nd occasion we have used MD Driveways & Patios. On both occasions we have been extremely pleased with the work they have done. Excellent workmanship, great team of lads, and cleaned everything up after the works.

His team worked very hard and left everything tidy at the end of each day and at the end of the project. I would definitely recommend anyone using this company, and we are really pleased with the final result!"

Matthew arrived to view job. I explained what I had in mind, he talked me through the whole process. No pressure, I knew what I was getting. He knew what I wanted. Job went smoothly start to finish. Reassured me any problems, he would return and rectify, no problem. I will be recommending him to my daughter who is looking to have a new drive laid.
